Concierge Hub Guide

Ireland and France 2026

Penn State College of Nursing, Tour 6491

Getting Started

To view your trip information, tap **https://yourtour.info/?tour=6491**, or scan this QR code with your phone camera.

Scan with your phone camera

You will arrive at the Concierge Hub. It looks like this on a computer and on a phone.

View 2: The Concierge Hub on a cell phone

Step 1: Travelers

Tap **Travelers**. This opens the Group Members site with your Traveler's Booklet.

Flip through the Booklet, or use the search bar for answers to specific questions.

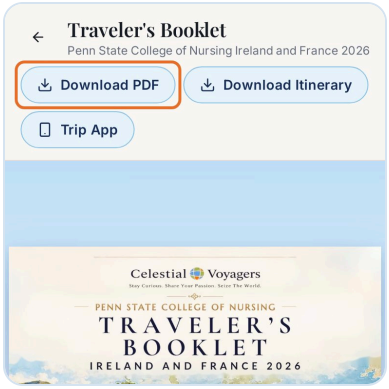

Tap Travelers

Step 2: Download PDF

At the top of the Travelers page are three buttons. Tap **Download PDF**, the first button, to save a personal copy of the Booklet.

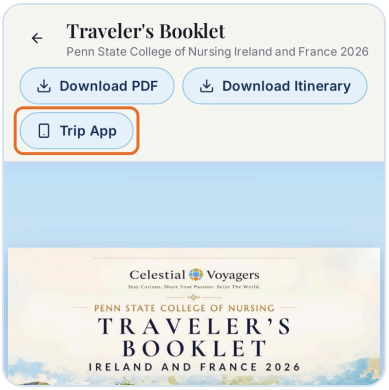

A paper copy will be handy for times when Internet service is weak or unavailable.

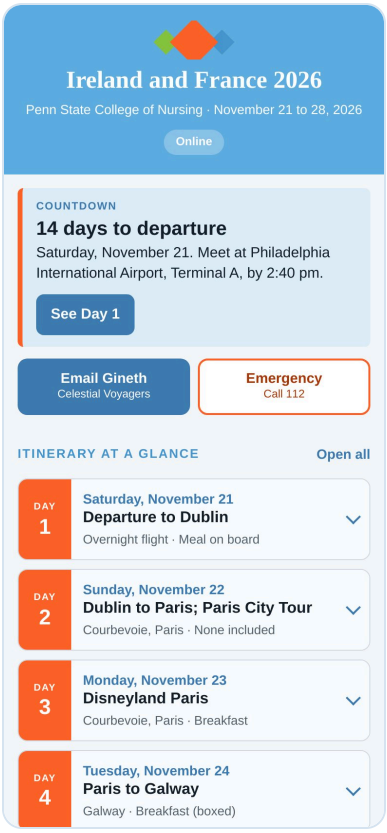

Download PDF is the first button

Step 3: Trip App

Tap **Trip App**, the third button. The Trip App shows your countdown, your day-by-day itinerary, who to call, where you stay, and your flights, all on your phone. Once opened, it saves itself on your phone and works without a signal.

Tap Trip App

The Trip App opening screen (the countdown updates every day)

Step 4: Post Memories

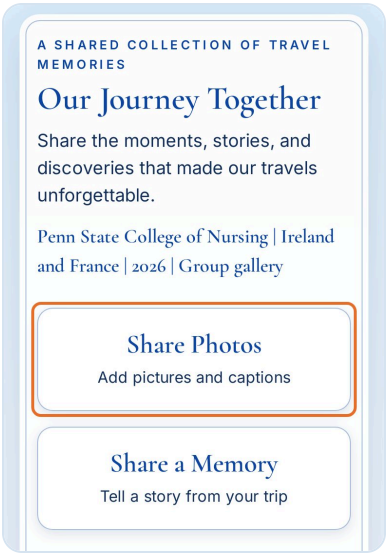

Back at the Concierge Hub, tap **Post Memories**, the center button between Travelers and Tour Leaders. Then tap **Share Photos** to upload your pictures.

You may choose to share your photos with the group or keep them private, and you may forward them to your own social media.

This collection of memorable experiences will be available for you to download after you return home.

Tap Post Memories

Then tap Share Photos
